## CITY OF SPORT 2012

## Be a part of it

Olympic fever is coming and Sheffield International Venues and the city will be at the heart of the action.

The Don Valley Stadium and Don Valley Bowl will stage a three-day Fan Fest during the middle of the Olympics (August 3-5) when our very own Sheffield superstar Jess Ennis will be going for gold in the Heptathlon during the same weekend when Usain Bolt is expected to produce his own unique sprinting power.

It will be a golden opportunity for Sheffielders to see the drama unfold live on a giant big screen. Other highlights will include a Tramlines-style music event in the Bowl, family-based activities and sports taster sessions.

In June, the Olympic Torch Relay will come to the Sheffield region. There will be welcome celebrations on June 25 when thousands are expected to catch a glimpse of the Torch and enjoy Olympic themed events.

The following morning there will be a leaving event to bid farewell to the Torch as it continues its journey to the East Coast and eventually the Olympic Stadium.
